

TOP 25 * PERFORMING UNIVERSITIES IN INTERNATIONAL JOINT PUBLICATIONS

By U-Multirank

In this list we present the U-Multirank 2021 top performers on the indicator 'international joint publications'. The percentage of international joint publications reflects the degree to which a university's research is connected to international research networks. The top performers all have at least 75 per cent of their publications published with co-authors from abroad.

**Due to a tie the list includes 27 institutions*
